

Technical data sheet for

## CD150 3 Stage Conveyor Dishwasher

W 2100mm x D 765mm x H 1450mm

The CD 150 is a fully automatic rack conveyor dishwasher with powerful prewash, wash, and final rinse. The rinse economiser ensures that water is consumed only when racks are in the rinse zone.

### Standard Features

- Low water consumption - 300 litres per hour maximum
- Rinse economiser - machine uses water only when rack is in rinse zone
- Powerful 1.5kW wash via removable upper and lower stainless steel wash arms
- Automatic tank fill and run-dry protection for incalloy heating elements
- Interlocked wash and rinse heating
- Low temperature deactivation to ensure hygiene and regulatory compliance
- Powerful drive with safety clutch and optional bench stop switch
- Safety stop switches to all doors
- Vent hoods fitted standard with duct connections, baffles and easy bench connection
- Full width, easily removable wash filter trays
- All stainless steel construction
- Simple electromechanical controls for ease of service
- Adjustable 200mm stainless legs
- CAD design service for layout options
- Nationwide installation and after sales support
- 150 racks per hour standard setting - higher throughput on request to 200 racks per hour
- Numerous options and accessories for complete high volume wash systems
